"DEBENTURE")**

Negative Pledge

The Company shall not except in relation to a Permitted Security Interest or with the prior written consent of the Lender:

- (a) create, extend or permit to subsist any Security Interest (save a lien arising by operation of law in the ordinary course of trading provided any such lien is discharged within 60 days after it arises unless being contested in good faith and by appropriate proceedings) over the Secured Assets or any of them ranking in priority to or pari passu with or after the security thereby created, or
- (b) part with, sell, transfer, lend, lease, licence or otherwise dispose of, whether by means of one or of a number of transaction related or not and whether at one time or over a period of time, the whole or any part of the Secured Assets, except the Company may in the ordinary course of the Company's business and for the purpose of carrying on the same, sell, lease or otherwise dispose of, at market value, any of the Secured Assets not subject to or expressed to be subject to a fixed security under the Debenture; or
- (c) (without prejudice to the generality of the foregoing) enter into any arrangement to sell, factor, discount or deal with any of the Secured Assets for money (i) with any person or company not obliged to the Company in relation to the Secured Assets or (ii) with any person or company obliged to the Company in relation to the Secured Assets save insofar as the same may be necessary in the ordinary course of getting in and realising the Secured Assets.

Conversion of Floating Charge

The Lender may at any time after the occurrence of an Event of Default, by notice to the Company convert the floating charge hereby created into a specific charge as regards such of the Secured Assets specified (whether generally or specifically) in that notice if the Lender considers it would be desirable to do so in order to protect, preserve or supplement the security hereby created over those Secured Assets or the priority of such security. If, without the prior consent in writing of the Lender or as permitted under the Finance Documents, the Company creates any Security Interest over any of the Secured Assets, or attempts to do so, or if any person properly levies or attempts to levy any distress, attachment, execution or other legal process against any of the Secured Assets, the floating charge created by the Debenture over those Secured Assets shall automatically, without notice, be converted into a fixed charge instantly such event occurs. If the Company ceases to carry on business or be a going concern or if an Event of Default occurs, the floating charge created by the Debenture shall automatically without notice, be converted into a fixed charge over all the Secured Assets not otherwise effectively subject to a fixed charge under this

Debenture instantly such events occurs. Nothing in this clause shall prejudice or affect any other event which may cause the floating charge created by this Debenture to crystallise over the Secured Assets.
